How to Create a Great Pet Owner Profile?

Want to travel with peace of mind, knowing your pet and home are in safe hands? A great profile helps you attract reliable, caring sitters who will treat your pet like their own. Here's what to include:

- **Introduce Yourself & Your Home** – Share a little about who you are, where you live, and what kind of environment the sitter can expect.
- **Describe Your Pet(s)** – Include details like their breed, age, personality, daily routine, and any special needs. Sitters appreciate knowing what to expect.
- **Responsibilities & Expectations** – Clearly outline what you need from the sitter, such as feeding schedules, walks, medication, or house rules.
- **Photos Matter** – Upload clear pictures of your pet, home, and key areas, including where the sitter will stay.
- **Be Honest & Friendly** – A warm, transparent profile builds trust and attracts sitters who are the best fit for your needs.

Activate Your Listing & Travel Stress-Free

Once your profile is ready, add the dates you'll be away—this makes your home visible in search results. Sitters will start applying, and you can also reach out to them directly.

With the right sitter, you can enjoy your travels without worrying about your pet or home. They'll be cared for by someone who truly loves animals, so you can focus on your adventure!
